

Dr. Ewart D. Mackay, DDS

Altima
DENTAL *Orthodontist*

Dr. Mackay is an orthodontist at the Altima Port Hope Dental Centre. With over 45 years of experience in general dentistry and a special focus in Orthodontics, Dr. Mackay is able to bring teeth and jaws into proper alignment with corrective appliances. He is known for his skill in treating dental irregularities, helping every patient achieve a healthy, beautiful smile.

After graduating with honors from the Faculty of Dentistry at the University of Toronto, Dr. Mackay practiced general dentistry in Ajax, Ontario for 5 years. In 1964, he re-entered the Faculty of Dentistry at the University of Toronto, where he completed a Graduate Specialty Program of Orthodontics in 1966.

Dr. Mackay is an active member of the Canadian Dental Association, the National Dental Examining Board and the University of Toronto Orthodontic Alumni. He is also a Life Member of the Ontario Society of Orthodontists, the Canadian Association of Orthodontists and the Royal College of Dentists of Canada (Orthodontic Division).

Born and raised in Cobourg, Ontario, Dr. Mackay spent much of his time in the nearby city of Port Hope, where he currently practices dentistry. He is the proud father of three sons. In his spare time, and when the weather permits, he enjoys a game of golf.
