

Dr. Hamida Louafi, *DDS*

Altima
DENTAL **Dentist**

Dr. Hamida Louafi is now practicing with Altima at our Scotia Plaza Dental Centre. She has a collaborative style with her patients and a philosophy of preventing oral health issues before they arise. Dr. Louafi takes time to understand her patients' specific needs, and if necessary, teams with specialists to ensure optimal dental care. We believe these attributes make her an ideal practitioner for individuals seeking a long term partnership with their health care provider.

Dr. Louafi obtained an Honours Bachelor of Science Degree in Microbiology and Immunology followed by her Doctor of Dental Medicine degree at the University of Montreal. She practiced in the Greater Montreal Area before moving to Toronto in 2011.

Dr. Louafi participated and sang in many charitable events raising funds to send dental students to care for children in impoverished countries. During her spare time, Dr. Louafi enjoys museum exhibitions, jogging, musicals, theatre and singing. Dr. Louafi values spending time with her friends and family. She is fluent in both English and French.
